Stanfordville Machine is a high performance contract design and manufacturer in the precision machining industry, certified in ISO 9001:2008 and AS9100 and employing LEAN manufacturing techniques through out all of its processes.

The success of Stanfordville Machine and its division, Kent Gage & Tool Co., Inc., is contributed to its founder, John Johnsen, President, and his two sons, Neal, VP Sales and Peter, VP/General Manager who continue to run the high tech machining company by hiring top talented skills and investing in the latest state of the art production and inspection equipment. With repeat and new customers from the military, aerospace, semi-conductor, communications, medical, and transportation industries, the company has evolved from a single production milling machine over 37 years ago to multiple high quality manufacturing departments today.

Our goal is to supply our customers with quality products on time. Stanfordville Machine is able to achieve this goal by using state of the art technology, reducing waste, minimizing turnaround time, continuous quality improvement, and increasing production through ensuring employees receive the highest level of training.

OUTSOURCING

Mid-Hudson Workshop for the Disabled

188 Washington Street, Poughkeepsie, NY 12601

PHONE: (845) 471-3820

www.midhudsonworkshop.org

CONTACT: Suzanne Stevens • Suzanne@MidHudsonWorkshop.org

The dedicated staff at the non-profit Mid-Hudson Workshop for the Disabled possesses valuable skills. Our Disabled Veterans and other handicapped workers provide assistance with higher-tech tasks that often cannot be accommodated by other organizations. The Outsourcing Services provided save dollars and valuable resources for those who contract with us. Firms are also comforted in the knowledge that their outsourced expenditures are not offshored, but remain here, supporting regional economies. Mid-Hudson Workshop's cost-effective, timely and satisfaction-guaranteed services help many clients, in New York's Hudson Valley and well beyond, to be more competitive within their respective industries. Call today for a brief tour.
