A focus on helping businesses become and remain successful is a key component of this programming. Healthy businesses provide employment opportunities for New York's citizens and, in turn, are dependent on a well-trained workforce and community support. The WDI works to ensure that investments in all three areas - workforce, economic and community development - are integrated and reflect the perspectives of working men and women. WDI's agenda is shaped by the needs of specific regions, businesses, or unions.
