

The background of the cover is a photograph of two technicians, a man and a woman, both wearing safety glasses and dark work shirts. They are focused on working on a piece of industrial machinery. The man is on the left, using a tool on a component. The woman is on the right, looking on. The machinery is complex, with various panels, wires, and a control interface. The lighting is industrial, with some bright spots from overhead lights.

# The most valuable raw materials don't come in on your loading dock.

## THEY WALK IN YOUR DOOR.

For Hudson Valley manufacturing to thrive, it needs great talent. So Tompkins Mahopac Bank is doing what we can to help. Our Hudson Valley Make and Accelerate Scholarship supports young people who want to pursue a degree in advanced manufacturing. It's awarded each year to three young people who show exceptional promise and a love for manufacturing. *To learn more about the Hudson Valley Make and Accelerate Scholarship visit [MahopacBank.com/Make-And-Accelerate](http://MahopacBank.com/Make-And-Accelerate)*
