

THE VALUE CONNECTORS

PKF O'Connor Davies is a new breed of accounting and advisory firm that holds itself to a higher standard – going beyond passive value calculation to active value creation for leading business owners, organizations and individuals in the US and abroad.

And we don't take that for granted. That's why our passionate professionals always take the extra step, push a little harder and create deeper connections at every turn. Through these connections we continually drive efficiencies, uncover opportunities and manage risk – delivering value where others can't.

We're not the typical accounting firm. We're PKF O'Connor Davies. We're **The Value Connectors™**.
