**Allendale Machinery Systems
is proud to announce we are
now partnered with Stratasys®**

**Stratasys is the
world's leading 3D
printing company.**

For over 30 years they have empowered global businesses to re-imagine the way they design and manufacture their products using the very latest in additive manufacturing technologies.

3D Printing has the ability to change everything. It can help minimize cost, increase uptime and improve quality on your factory floor.

Contact Allendale Machinery Systems to find out how Stratasys can help you gain business agility and competitive advantage.

OUR SOLUTIONS ARE **GOOD BUSINESS**

Hearing Protection · Safety Equipment · Packaging · Landscaping
Custodial Services · Food Services · Workforce Solutions · Facilities Management

OUR MISSION

To help people live the healthiest
and fullest lives possible,
and our first priority is those who
live with the challenges associated
with developmental disabilities
and behavioral health issues.

*"Access: Business Solutions
has been serving commercial and government customers for over 20 years
and the Hudson Valley Economic Development Corporation is a proud
supporter and partner. ABS ensures employment opportunities for people
with disabilities while manufacturing quality products and providing premium
services throughout our region. HVEDC is energized by the commitment
and innovative solutions Access brings to the Hudson Valley."*

Mike Oates, President and CEO
Hudson Valley Economic Development Corporation
